

Puffta Voted Runner Up in the Boyz Awards 2005

The Boyz Awards 2005 have been announced, and puffta.co.uk has been voted runner up in the Best Web Site of the Year category! This year's Boyz Awards generated more votes than ever before. Dating site gaydar.co.uk won the award.

Simon Johnson, Editor of puffta.co.uk said: "We're delighted to be runner up! The Boyz Awards are voted by the readers and it's great to have achieved this ahead of the BBC.co.uk and eBay! We've worked really hard to produce a quality web site for young gay men that stays away from the typical content of preaching about what you can and can't do, or filling it with porn. It's a terrific endorsement and we can celebrate it by flaunting our fantastic new look"

The re-modeled puffta launched on the 01st of February and is already experiencing increased traffic and more subscribers.
